Health and Safety Policy

Health & Safety Policy Statement

Malpas & District Junior Football Club is committed to a safe environment for all players, coaches, volunteers and spectators. It will promote standards of health, safety and welfare within football and will ensure compliance with all relevant statutory provisions. The Club will ensure that suitable and sufficient risk assessments are carried out, that procedures and safe systems are implemented in accordance with all current statutory provisions and that all reasonable and practicable measures are taken to avoid risk. Safe practices will be adopted and continuous improvement will be sought through regular audits and reviews.

All appropriate and required measures to mitigate the impact of the COVID-19 Pandemic will be adopted by Malpas & District Junior Football Club, based on guidance issued and updated by UK Government, The FA and the relevant League structures.

Appropriate instruction and training will be provided together with adequate resources to ensure that the successful management of health and safety is carried out within the Club and that this policy is collectively implemented. This policy together with arrangements and procedures will be reviewed regularly and revised and updated as necessary.
