Policy for running a website

The following policy is provided not as an obstacle but to support clubs and leagues to manage their safeguarding responsibilities effectively. It aims to ensure children, young people, coaches, referees and adults in a position of trust are not subjected to improper online behaviour or improper allegations. Malpas & District JFC Secretary will monitor the content of the website and bring any concerns to the attention of the Club Welfare Officer. They should have an understanding of both the technology used and of safeguarding. However, it would be expected that the named individual(s) will have attended The FAs Safeguarding Children Workshop. Web pages will be monitored on a weekly basis where possible. Clubs and leagues are responsible for ensuring all content hosted on their websites abide by the Rules and Regulations of The Football Association and do not bring the Clubs name into disrepute.

It is against FA rules to post comments that are or maybe conceived as;

- Offensive
- Insulting
- Abusive
- Threatening
- Racist
- Discriminatory
- Any other reference that may cause offensive or harm to others Any such comment made on club or league websites and/or social networking sites regarding officials may result in disciplinary action being taken in line with The FA's Disciplinary policies and procedures.

Comments made on websites that are threatening abusive or racist could lead to legal action being taken against those responsible for posting or hosting them. Comments made may attract libel claims and legal action through the civil courts if they are untrue or defamatory. Children and young people should be advised by their coaches, parents/carers and CWO to always tell an adult they trust about communications that make them feel uncomfortable or where they've been asked not to tell their parent/carer about the communication. Clubs and leagues are strongly advised to adhere to the following Do's and Don'ts

Do:

- appoint an appropriate adult(s) to monitor the content of the website
- make sure everyone within your club knows who is responsible for monitoring the content of the club website and social networking areas and how to contact them apply the principles given within The FA's photography guidelines; Celebrating Football Thorough Photographs and Video
